Moderator Evaluation Form

(Copyright © 2013 NAQT, LLC)

Evaluate your moderator on each of these criteria on a scale of 1 to 5: 5 is superb, 4 is good, 3 is satisfactory, 2 is tolerable, and 1 is unacceptable.

This form should be filled out independently of other teams and given to the tournament director at the end of the tournament. More specific comments about moderators, or any situation that arose during the event, may be added on the back. When commenting, please remember that most moderators are unpaid volunteers who usually have had no formal preparation for the role; they may not even have had any previous experience with quiz bowl.
